- 3. Capital-fund campaign to build new building on property

Building needs include:

- a. place where campus ministry has primary access and control
- b. space that is multi-functional, include a sacred space
- c. space that will be identified as “Campus Ministry”
- d. space that is comfortable and inviting to students
- e. space that is close to campus

f. adequate space to accommodate current program and allow for growth

Campus Ministry currently owns property across the street from campus funded by First United Methodist Church of Topeka. The current building is old, small, inadequate, without sufficient storm shelter, and not ADA compliant. A new building is needed. There was consensus that the campus ministry property and building deed would include a clause to revert the property to the Kansas East Conference of the United Methodist Church upon any dissolution of the ministry. The ecumenical partners intend to contribute by furnishing and maintaining rooms.
